

Lucheng government's official website

It includes HRT medication retailing in grey or underground market, due to very rare medical resources in China, even if people are adult and have a diagnosis letter and prescription, they still need to buy medications in the grey market.

The government thought the grey market shouldn't be exist, they want to arrest the medication retailer and banned the grey market.

It will cause all transfemale in China cannot get the medication, and it will cause fatal risk.

Where is the free and basic health service in the announcement?

“中国保护LGBT，即同性恋、双性恋以及变性人群体的健康权，向所有公民免费提供基本卫生服务，允许自愿开展变性手术，尊重他们的隐私。”

“China protects the health rights of the LGBT community, providing free basic health services to all citizens, allowing voluntary sex reassignment surgery, and respecting their privacy.”

以下引述:

我们知道药品禁止网络销售清单也就这
几天,感觉很突然

如果后续没有了网络销售渠道,药物销量
大减的情况下,是有可能停产的

征求意见稿,我们作为药厂的力量是比较
弱的,还是希望患者群体能够多多去提意见

From Twitter,

Someone contacted the manufacturer of cyproterone, which is a part of the key medication of TransFemale HRT, and the manufacturer said if the government banned the retailing in the internet, with very less demand will cause the probability of discontinue of manufacturing cyproterone.

And also, the China's custom service are banning the import of cyproterone.

At that time, nobody can get the medication, even from the hospital, even they're adults, even they have the diagnosis letter, even their parents are agree them to using the medication.
